

> MULTIPLE-COLOR MARSHALLING WAND JB32T LED

Specially designed for Navy

ELAUL JB32T Marshalling wand is suitable for airbase or take-off bridge handling use

Rechargeable with the JB charger

This marshalling wand has been specially designed for Navy uses.

The 3 colors, green-white-red, are available and can be changed if necessary by a switch inside.

The flashlight on the top of the wand can be switched on and off thanks to the push-button.
